5) Section 5(1)(a) of the Corporation Act lays down as follows -

(a) Sixty-two divisional councillors, of whom fift shall be persons elected to general seats, six to seats specially reserved for depressed classes and six to seats specially reserved for women

Provided that nothing in this clause shall be deemed to prevent members of the depressed classes or women from standing for election to the non-reserved seats

Section 48(2) lays down as follows -

(a) For the purpose of the election of councillors to fill the seats specially reserved for members of the depressed classes and women under clause (a) of sub-section (1) of section 5, Government may by notification, declare-

(i) in which of the divisions the said seats shall be reserved, and

(ii) for whom such seats are reserved,

(b) the Government may after consulting the Corporation, vary any declaration made by them under clause (a)

It is therefore seen that Government may, by notification, declare the divisions in which the seats should be reserved for depressed classes and for women

Census of the Depressed Class people were however taken on 15th April 1956 in ten divisions, where majority of the Depressed Class people are residing A statement showing the Depressed Class population in those ten divisions is herewith enclosed for perusal According to the population, six seats will have to be reserved in six divisions noted below as required under clause (a) of sub-section (1) of Section 5 of the Corporation Act -
